Mr. Willett:

Have you told the people in conservative ridings that you don't support the Rule of Law and the equality of all people? Have you told them that Law and Order are not important conservative issues?

I doubt any PC MPP would be elected if you did.

It is nice to know that instead of supporting someone who has for 6 years hammered McGuinty for failing Caledonia you would rather be against him.

Mr. Willett did Toby Barrett authorize you to send this reply?
